The PSEOP is open to 9th through 12th grade students enrolled in the state's public, community and nonpublic high schools. The purpose of the program is to promote rigorous academic pursuits and expose students to options beyond the high school classroom.

Attendance at this meeting is **MANDATORY** for students in grades 8, 9, 10 and 11 and their parents, if students wish to participate in PSEOP or need more information on which to base their decision to participate, during the 2012-2013 academic school year. **STUDENTS AND PARENTS MUST ATTEND THE MEETING IN ENTIRETY.** An additional counseling session is also mandatory for students choosing to participate.

*Please note: This meeting is also mandatory for those students and parents who have participated in or are currently participating in the PSEOP program. Guidelines change from year to year, thus necessitating an update and review of criteria and procedures.*
